“ Mr. Boger was a man of utmost integrity and Christian character. I am very thankful for the many connections our family has enjoyed with his family over the years. He left a legacy and fine example of service to God and others for all of us to follow.

“ My sympathy to the Boger family, I only met Mr. Boger once but heard several stories from Brett about his dad and I could tell how much he meant to him. He is resting peacefully in the hands of God.

“ My sympathy to the family of Edwin Boger. He and I were friends for about 60 years, following extensive surgery on his hand. We always had a lot to talk about when we would meet at meetings or other places. and he called me every month or so to make sure I was OK - I should have been calling him.

My thoughts and prayers go out to family,

Francis Slate

“ I was very sorry to read of the passing of "Mr. Boger", this morning in the paper. He was one of the first people to come visit Jerry and I when we built our hone on Cana Road. When he would visit it would be to drop off tomato's or other vegetables from his garden, and check to see if I needed anything. He showed his love for his GOD where-ever the road would lead his. GOD-speed "Mr.Boger" Edwin, and prayers for the entire family.

“ It's my opinion Mr. Boger & his whole family were models for all who knew them. We got to know the Boger's after relocating to Davie County in 1998. I can not remember a time he and I would meet/encounter each other that he was absent a smile, pleasant words flowing and a financial question arising during our talks.  
A Fine Man with a Fine Family.  
May God's peace rest upon Mrs. Ivey and the entire family during this time of their loss.  
But be of good cheer - if we know Jesus as our personal Savior - we will see Mr. Edwin again!  
Blessings
