“ Evelyn was a beautiful lady inside and out. I am glad my Mom and I had the privilege of knowing her.

“ Evelyn was such a dear... I am Lynne Hauser, Bonnie Hauser's daughter. I so enjoyed visiting with your sweet Wife, Mother & Grandmother. She was always so kind and funny. My Mom and I miss her very much. May God wrap His loving arms around you at this time and always...

“ My best memories, of my sister Evelyn, was when we were growing up. She would always go with me anywhere I wanted to go and was so very brave. We never had a fuss or fight like a lot of sisters do. She was always there for me, no matter what. I always remember thinking that I wanted find a man to marry that would be like Evelyn, (that would always take care of me and be brave and we would never argue).

“ Evelyn was a very special and sweet lady. I got to meet her thru my daughter-n-law, Shana Brewer Brooks. Love to hear all of the stories about when she was babysitting all of her sweet children!!

“ There will never be another soul as sweet as her. The way she cared for everyone, especially all the children she kept. My child was one of those and I never worried once about how he was. She is the only person I know that could take 6 or 7 kids to the grocery store and have them walking around like little angels. My son has the best memories of being with her all those years. She became family to us and we will miss her greatly. Much love to Papaw Clarence and her family. "Mamaw EE", as my son lovingly called her, will live forever in our hearts. Rest easy and enjoy all the beauty of Heaven, you deserve it! From Teresa (white) Stovall and family, and Gary Bumgarner and family.

“ I have very fond memories of Evelyn when I was growing up and Judy and I were going to the lake. Evelyn always had a smile on her face, and she always made sure you never went away hungry. She shared her love in a lot of ways: as smile, a hug, words of encouragement but most of all she cared. She would always ask about my mom and dad when I would see her. She truly cared about her neighbors. I know that she is being welcomed into Heaven and she will be walking the streets of gold. My thoughts and prayers are with you.
