“ Patricia, what wonderful memories I have of your dad. As a young boy, he would take me with him to his farm and on several occasions we rode on his motorcycle. What an exciting venture that was for me. My favorite times were when he would take me to a country store and buy me crackers and a coke. He was a man with strong religious beliefs, a dedicated husband and as a father, he was so proud of you. I will miss your dad for he was someone that meant much to me. Rest in peace HR.

“ Dear Pat, I know your dad had the best of care until the day he died. You, Joe and your children showed so much love for him. I only knew him through the great things my mom told me. Prayers go out to you and your family for the upcoming days ahead of you. Love, Sherry Jarvis Wiles.
