“ I am so sorry for your loss and I pray that he is at peace. Dean and I were very close back when we both worked at Members Credit Union. We got together a couple years ago to catch up, said we would get together again, but never did. He has been on my mind so much the past couple weeks and I had thought about giving him a call, but never did. My heart is broken that I missed my chance. RIP Deano, love you!
